FDR Vault — Validation Test Document Kit

Generated on 30 October 2026 · FDR number series **58** · for the demo institution **Delhi Institute of Technology & Science** (PID 1-10928371, Northern region, required corpus ₹100 lakh)

These specimen documents test every upload check in the FDR Vault portal: the **application wizard**, the **AI Regulatory Assistant** (new FDR, renewal, replacement, lien release, correction, compliance reply) and the plain **FDR forms**. Each file is watermarked SPECIMEN and is valid only as test data.

Rules to know before you start

• **Each FDR number can be registered only once** in the whole portal. After a test run, generate a fresh kit with **python make_test_documents.py --series 59** (in *FDR_DOC_Folder/source*).

• Dates are relative to the day the kit was generated, so expired, expiring and matured documents stay correct. Regenerate the kit if you test much later.

• Where documents are **read and checked**: the application wizard (Documents step) and the AI Regulatory Assistant. The plain *FDRs → New FDR / Renew / Release* forms store the file as evidence without reading it.

• Without an AI key the server reads PDFs with fixed text rules and photos/scans with OCR (Tesseract). Validity dates of certificates are typed by you in the wizard; type the date printed on the certificate.

• Use a different file for each slot. Uploading the same file twice is itself a test (duplicate SHA-256).

1 · Application wizard — valid set (folder 1_Application_Valid_Set)

Institution app → Dashboard → **New Application** → **Extension of Approval (EoA)**. Enter these values:

Step	Type exactly
Institution	Academic year 2026-27 · address Revenue Village Alipur, North Delhi, Delhi - 110036

3 · FDR requests — valid (folder 3_FDR_Requests_Valid)

Step 1 for renewal, replacement and release: first register the deposit that the request is about. Institution app → **FDRs** → **New FDR**, type the values below, attach the Step 1 advice and submit. Then sign in as the **bank official** → Verification Center → confirm the joint lien with a CBS reference (e.g. CBS-SBI-LIEN-5801).

Deposit	Type in FDRs → New FDR	Attach
Renewal test	FDR no. **SBI-FDR-58103-2016** · bank State Bank of India · branch Institutional Area Branch, New Delhi · IFSC SBIN0001234 · amount **10000000** · issue 15-12-2016 · maturity 15-12-2026	C04_RENEWAL_Step1_Original_Advice_SBI-FDR-58103-2016
Replacement test	FDR no. **SBI-FDR-58104-2017** · bank State Bank of India · branch Institutional Area Branch, New Delhi · IFSC SBIN0001234 · amount **10000000** · issue 20-01-2017 · maturity 20-01-2027	C06_REPLACEMENT_Step1_Original_Advice_SBI-FDR-58104-2017
Release test	FDR no. **SBI-FDR-58106-2016** · bank State Bank of India · branch Institutional Area Branch, New Delhi · IFSC SBIN0001234 · amount **10000000** · issue 20-09-2016 · maturity 20-09-2026 (already matured: the form accepts it)	C09_RELEASE_Step1_Original_Advice_SBI-FDR-58106-2016

Step 2: Dashboard → **AI Regulatory Assistant**, choose the request, answer its questions and upload:

Request	Answers / upload	Expected
New FDR	Bank State Bank of India · lien letter yes · signatory: someone authorised. Upload C01 (deposit advice), C02 (bank letter), C03 (authorisation). Form values: FDR no. **SBI-FDR-58102-2026** · bank State Bank of India · branch Institutional Area Branch, New Delhi · IFSC SBIN0001234 · amount **10000000** · issue 22-10-2026 · maturity 22-10-2036	**GREEN / pass** for all three; submit → the FDR waits for the bank's lien confirmation
Renewal	Choose SBI-FDR-58103-2016 · renewed yes · upload C05 (new maturity 15-12-2036)	**GREEN / pass**; admin approves → maturity extended by 10 years
Replacement	Choose SBI-FDR-58104-2017 · bank State Bank of India · lien letter yes · upload C07 and C08 (new FDR SBI-FDR-58105-2026, ₹1.10 crore, Model Town Branch, Delhi, IFSC SBIN0005678)	**GREEN / pass**; admin approves → bank confirms the new lien
Lien release	Choose SBI-FDR-58106-2016 (matured 20-09-2026) · upload C10 (matured statement) and C11 (no-dues undertaking)	**GREEN / pass**; admin approves with a release order no. → bank records the discharge
Correction	Choose SBI-FDR-58102-2026 · detail: Bank / branch / IFSC · upload C12	**GREEN / pass**; sent as a helpdesk ticket
Compliance reply	Needs an application with a deficiency notice (officer: Request clarification, e.g. 'fire NOC expired'). Choose it and upload C13 (renewed fire NOC)	**GREEN / pass**; application returns to scrutiny

Also check: after Step 1 + bank confirmation, Admin → Settings → **Run now** creates a maturity alert for the renewal deposit (46 days left, Critical) and the replacement deposit (82 days, Warning); Reports → *Approaching or past maturity* lists all three.

4 · FDR negative tests (folder 4_FDR_Negative_Tests)

Use the AI Regulatory Assistant → **New FDR** and upload the file in the *FDR certificate / deposit advice* slot, unless the table says otherwise.

File	What is wrong	Expected message
